Direct deposit

By having your healthcare reimbursement arrangement (HRA) reimbursement directly deposited into your bank account, you eliminate the hassle of having to go to the bank each time you receive a check. Instead of receiving a reimbursement check in the mail, you will receive a direct deposit remittance advice. The remittance advice will indicate the date your claim was paid, the amount that will be deposited to your bank account, and an explanation of benefits (EOB). All direct deposits will be initiated on the same day as the normal check reimbursement date. Deposits may take up to five (5) business days to appear in the designated account. Should you make any changes to your bank account, such as account closure or change in account number, please notify BenefitHelp Solutions immediately. If there is an interruption in the direct deposit service, you will receive checks for reimbursement claims paid during that time. You may cancel participation in the direct deposit program at any time.

Autopay

Autopay is an option for you to be automatically reimbursed for your eligible out-of-pocket medical, dental and prescription expenses processed by Moda Health without having to submit claim forms or supporting documentation. When Moda Health receives a timely claim from your provider, we will process and pay the claim according to your plan benefits. Moda Health will send you an explanation of benefits (EOB), then send the information to BenefitHelp Solutions for automatic reimbursement of eligible out-of-pocket expenses. The amount shown on the EOB under Patient Responsibility is the amount you will automatically receive — up to your annual HRA amount. Orthodontia and IRS-ineligible expenses, such as cosmetic procedures, are excluded from autopay. Unfortunately, you will not be able to use autopay if you have more than one insurance plan with Moda Health.

Authorization to release reimbursement account information to family members or designated individuals

By completing the protected health information (PHI) authorization section and signing this application, you authorize the use and disclosure of any individually identifiable health information as described. Your signature confirms your understanding that this authorization is voluntary, and you may revoke the authorization at any time by submitting a revocation in writing to BenefitHelp Solutions. Any uses or disclosures already made with your permission cannot be taken back. You understand that information used or disclosed under this authorization may be subject to redisclosure and no longer protected under federal law. Information obtained or disclosed with this authorization will be limited to the minimum information needed to achieve a designated purpose.

Terms and Conditions

By signing this application:

1. **Acceptable plan terms.** You agree to abide by the terms, conditions and provisions of the plan contained in your employer's plan documents. These documents are available to you through your human resources or benefits department.
2. **Responsibility.** You acknowledge that the Internal Revenue Code (IRC) permits claim reimbursement only for eligible expenses incurred after the effective date and prior to the termination date of your HRA account. You assume full responsibility for all taxes, penalties, interest or other consequences that may be assessed to you by any state, federal or other governmental taxing authority as a result of receiving reimbursement for a disallowed expense. You will only use your account to pay for eligible expenses incurred by yourself and/or your tax dependents. Expenses cannot be reimbursed by any other plan. If requested, you agree to provide appropriate supporting documentation within the requested time frame. You understand that you cannot change or revoke an election until open enrollment or during an applicable change in status.
3. **Plan modification.** You have been informed that the plan offered by your employer may be modified from time to time, and you agree that your employer may cancel or amend your plan according to the employer's independent judgment and discretion without your consent or prior notice.
4. **Forfeiture.** You understand that you must claim reimbursement for eligible expenses incurred during the plan year for which you were an active participant within the run-out period of the plan year (and grace period if applicable), as stated in your Summary Plan Document. If any unused amounts remain in your account(s) after any applicable carryover, these amounts will be forfeited.
5. **Benefits MasterCard.** If it is determined that the Benefits MasterCard paid for an ineligible expense, you will either refund your account the amount of the ineligible expense or offset the ineligible expense with an eligible expense. If you fail to do so, the ineligible amounts may be included as taxable income at the end of the year. You understand that if you do not provide supporting documentation as required, your Benefits MasterCard may be deactivated until your account is settled.
6. **HSA contributions.** You understand that if you, your spouse or your children participate in an HSA plan, HSA contributions may be disallowed if any HSA participants also participate in the HRA account.
7. **Autopay.** Only you and your eligible dependents are covered under Moda Health for your health insurance, and you do not have a non-tax dependent domestic partner enrolled on your health insurance.
