## Direct deposit

By having your transit account reimbursement directly deposited into your bank account, you eliminate the hassle of having to go to the bank each time you receive a check. Instead of receiving a reimbursement check in the mail, you will receive a direct deposit remittance advice. The remittance advice will indicate the date your claim was paid and the amount that will be deposited to your bank account. All direct deposits will be initiated on the same day as the normal check reimbursement date. Deposits may take up to five (5) business days to appear in the designated account. Should you make any changes to your bank account, such as account closure or change in account number, please notify BenefitHelp Solutions immediately. If there is an interruption in the direct deposit service, you will receive checks for reimbursement claims paid during that time. You may cancel participation in the direct deposit program at any time.

## Terms and Conditions

By signing this application:

1. **Acceptable plan terms.** You agree to abide by the terms, conditions and provisions of the plan contained in your employer's plan documents. These documents are available to you through your human resources or benefits department.
2. **Responsibility.** You acknowledge that the Internal Revenue Code (IRC) permits claim reimbursement only for eligible expenses incurred after the effective date and prior to the termination date of your commuter expense reimbursement program. You assume full responsibility for all taxes, penalties, interest or other consequences that may be assessed to you by any state, federal or other governmental taxing authority as a result of receiving reimbursement for a disallowed expense. You will only use your account to pay for eligible expenses incurred by yourself and/or your tax dependents. Expenses cannot be reimbursed by any other plan. If requested, you agree to provide appropriate supporting documentation within the requested time frame. You understand that you cannot change or revoke an election until open enrollment or during an applicable change in status.
3. **Plan modification.** You have been informed that the plan offered by your employer may be modified from time to time, and you agree that your employer may cancel or amend your plan according to the employer's independent judgment and discretion without your consent or prior notice.
4. **Social security.** You choose to participate in the plan knowing that your salary reduction elections may reduce your FICA withholdings (Society Security) and that this may reduce your Social Security benefits upon retirement.
5. **Forfeiture.** You understand that you must claim reimbursement for eligible expenses incurred during the plan year for which you were an active participant within the run-out period of the plan year (and grace period if applicable), as stated in your Summary Plan Description. If any unused amounts remain in your account(s) after any carryover (if applicable), these amounts will be forfeited.
6. **Status change.** Unless otherwise noted in your Plan Documents, Qualified Status Changes (QSCs) must be submitted within 30 days of the event. Please discuss with your human resources department to determine if your event is a QSC. If there's an election change, you understand that additional funds due to an increase in your election can only be used for claims incurred on or after the date of change.
